### **APRIL 23 LATUS HARLEY RIDE IN & OREGON FOOD BANK DRIVE**

OMRRA welcomes the 2011 Daytona 200 winning Team Latus Motors and celebrates with a ride in and canned food drive. Bring cans of food or non-perishables and get \$2 off at the gate. The winning Ducati 848 will be on site for viewing and with the addition of the Harley XR1200 into the Middleweight Superbike class (with a rules structure similar to AMA ProRacing's XR1200 class) we hope to see some new bikes grid up in April.

### **APRIL 21ST NOVICE SCHOOL AND TRACK DAY**

Our New Racer School will be run inside a 2Fast trackday. New novices, please be sure to register for the school five days in advance or a \$50 post entry fee will be charged. ### **TTXGP ELECTRIC RACING AT OMRRA!**

OMRRA is really pleased to announce that we will host a round of the TTXGP Electric Motorcycle North American Championship in 2011. TTXGP riders will attend our July 16-17 race weekend. See the full press release in the general section of the OMRRA forum. Very exciting!!

## NEW PRICING AND GATE PROCEDURES

Members and Volunteers, OMRRA has changed the pricing structure and the gate fee procedures effective this year. You will be required to sign a waiver at the gate when paying for entry. You will receive a wristband. You must be wearing this wrist band at all times and cannot register to race without one.

We have lowered the price of the first class for all of you one-race racers to \$125.

We are also offering value classes, Ultra and Lightweight for entry level bikes at \$75 for the first class, \$20 for the second!

Season Passes are on sale until April 15th. \$110 for all seven weekends. You save \$30. Contact the office for more details.

## NEW REGISTRATION ADMINISTRATION

OMRRA welcomes Kimberlie Wood as our new registration person.

We ask that you be patient with us as we transition from Janice and train our new employees. There are also some new policies going into place, in which we will do our best to keep you in the loop and well informed. Your understanding and a smile will be very appreciated during the coming months.
