#### **OMRRA GIVES BACK**

OMRRA is participating in the Susan G. Komen Race for the Cure by showcasing our Formula Female class. Proceeds from each FF class entry will be donated to Susan G. Komen in the winner's name. Donations will be accepted throughout the weekend with a 50/50 drawing sold each day for \$1. The winning number will be announced both days and posted at 3pm and presented during the end-of-day awards ceremony. Pink Ribbon stickers will be sold for \$5 - display them proudly! Spectators who present a \$2 off gate ticket or online coupon will be offered the option of paying full price and directing the coupon towards OMRRA's donation. TOR participants may also choose to direct their fee towards either the Susan G. Komen Race for the Cure or OMRRA's Injured Rider Fund. Wear pink and wear it proudly in support of a great cause!

#### **FOSSIL VERSUS ELECTRIC**

For the first time at OMRRA, an electric superbike, the Motoczysz E1 (winner at the Isle of Mann TT Zero), piloted by Michael Czysz, will compete against fossil-fueled Middleweight Superbikes. The future is here and racing at PIR!
