- Feature films at the Hollywood Theatre, January 11-12
- Short films at The One Show, February 7-9
- More at: [www.PDXmotorcyclefilms.com](http://www.PDXmotorcyclefilms.com)

### **Event Goals**

1. Raise money to purchase and repair Air Fence, used by the Oregon Motorcycle Road Racing Association (and track-day providers) at Portland International Raceway.
2. Create an annual mid-winter gathering opportunity for the Portland motorcycle community with opportunities to:
  - a. Combat the seasonal nature of motorcycling in Oregon, and be part of a "year round" approach to our sport in the Pacific Northwest. Collaborate with other events and clubs including The One, to build a monthly cadence of motorcycle fun and interest.
  - b. Increase awareness of motorcycle racing at PIR, including OMRRA's New Racer School.
  - c. Provide a platform for Northwest motorcycle businesses to connect and communicate to their core consumers.
3. Provide a platform for motorcycle-oriented filmmakers to share and promote their work, in feature length and short formats, and to have the best of that work evaluated and rewarded for its quality.
