

Step 1

- Visit <https://trackintel.com/ti/omrra> on your mobile device or computer
- Select the upper right menu and login using your registration login

Click here to login

Step 2

- Select the upper right menu
- Select “Event Info”
- Select “Entries and Grids”

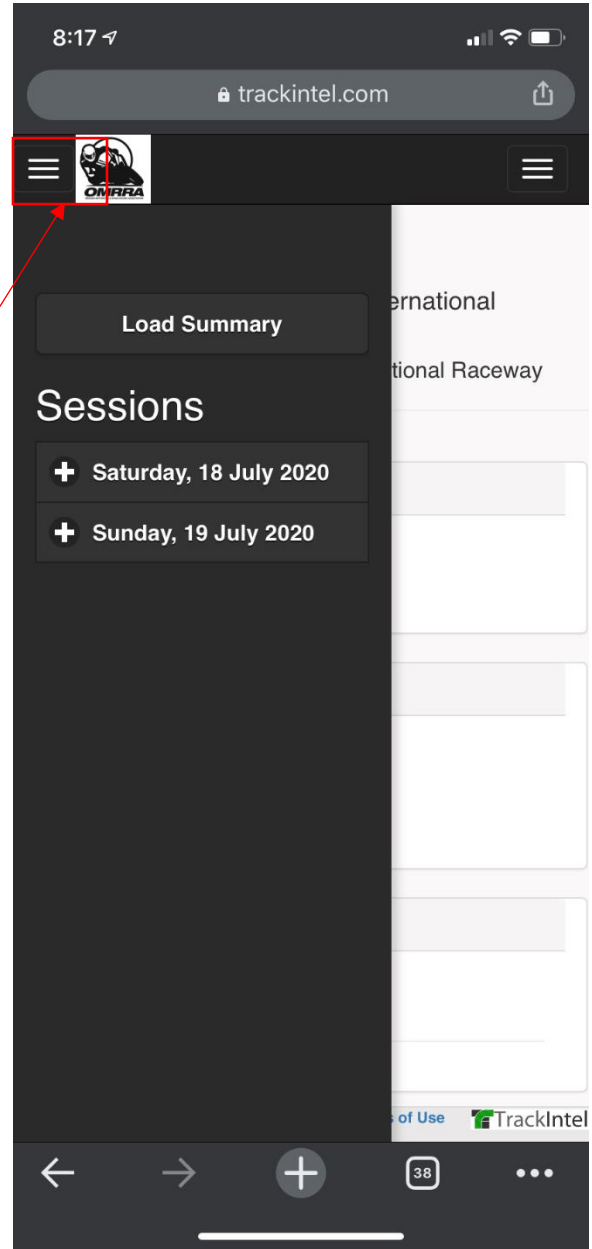

Click here to select “Event Info” and then “Entries and Grids”

The screenshot shows the TrackIntel mobile app interface. At the top, the time is 8:17 and the URL is trackintel.com. The OMRRA logo is visible on the left. A red box highlights the upper right menu icon (three horizontal lines). Below the menu, there are options for Performance, Chart Legend, Entries, Event Info, Raceday Schedule, Entries and Grids, Live Timing, and About Me. The user's name, White, Patrick, is displayed. A chart titled 'Chart Legend' shows 'Total Starters' and 'My finishes' for '600 Sportsman'. The chart has a y-axis labeled 'Position' ranging from 0 to 15. Below the chart, the word 'Results' is displayed, followed by the text 'Dive into results (as soon as they happen)' and a 'Results »' button. At the bottom, there is a calendar icon, copyright information for Track Intelligence, Inc., and the TrackIntel logo.

Step 3

- Select the upper left menu and select the race day

Click here and then select the race day below

Step 4

- Select the session and view your grid position
